

A blue semi-truck is shown from a side-rear perspective, driving on a road that stretches into the distance. The background features rolling green hills under a sky with a sunset or sunrise, creating a warm, golden glow. The truck's trailer is a deep blue color, and the wheels are visible. The overall scene conveys a sense of motion and reliability.

Dulux[®]

Fleet  Shield[™]

First For Fleets

Your Image.

OUR MISSION.

Your Image.

OUR MISSION.

Your Image:

VITAL TO YOU & VITAL TO US.

Your image is all-important to you. That's why it's so important to us.

Every resource we have is dedicated to that image and the role it plays in your success.

To us that means an image that helps you stand out from the crowd.

It means an image with real substance - one that lasts and helps protect the investment you have in your vehicles.

An image that's easy to maintain and helps you save money over time. An image that's guaranteed.

The complete solution – from start to finish.

For your complete fleet painting solution, look to FleetShield™. With FleetShield™ you'll have people with genuine know-how on your side – savvy, experienced people that share their expertise with you from sales, to the actual coating process, to on-going technical support and monitoring. We also provide a complete design service if and when you need it. And whether it's adding new vehicle corporate livery or refurbishing and refinishing existing vehicles, everything we do is driven by an unrelenting insistence on quality.

Nationwide Know-how. Quality you can trust.

Wherever you are and however you roll, we've got you covered.

Every member of the FleetShield™ approved painter network has been specially chosen for strict adherence to the highest quality standards and the proven ability to provide your vehicles with a top class FleetShield™ finish.

Expertly trained to follow our exclusive "Blueprint" specifications, FleetShield™ professionals deliver consistent quality on all types of vehicles, including heavy trucks, trailers, tankers, buses and other big commercials. And because time is money, your FleetShield™ pro will get your vehicle back on the road fast.

Comprehensive Warranties are available through our FleetShield™ applicators when FleetShield™ coatings are applied to your vehicles.

*That's the image you'll
get from us - because
your image is our mission.*

FleetShield™ 'Blueprint.' Your exact specs, all across ANZ.

Throughout Australia and New Zealand, the 'Blueprint' system means that every FleetShield™ member will have your exact specs on-hand. All it takes is one meeting with your FleetShield™ rep and your tailored 'Blueprint' will be part of the FleetShield™ system. Result: no matter where you are, your FleetShield™ professional is ready to make sure your image is exactly as specified, fast and hassle-free.

'Blueprint' is fully backed by the Dulux Commercial Vehicle Sales and Technical teams. Plus, our specialist design service can help optimize your image on every type of vehicle in your fleet.

FleetShield™ Purpose-designed for the perfect image.

Designed and formulated especially for commercials, the FleetShield™ paint range includes tint bases and high quality solid, metallic and pearl tinters – all ideal for modern fleets. Tint bases consist of white, black and clear, plus high strength yellow and red. Primers, hardeners and thinners for large vehicles complement the range.

The right colour – right now.

Existing fleet? New fleet? FleetShield™ has you covered.

Check out the new Dulux handheld FleetShield™ Snapshot® for easy access to our large library of solid and effect colours. Or have a look at our wide spectrum of colour chip swatches.

And remember, our expert Dulux Colour Team is always at your service to give all your vehicles the perfect colour match.
